## Catholic Community Services of Southern Arizona

### OUR VISION

A compassionate and just community that upholds the God-given worth and dignity of every human being.

### OUR MISSION

We strengthen children, adults, families and communities by providing help, creating hope and serving all.

**Strong families are at the very heart of the work of Catholic Community Services. Please join us as we recognize three unique families:**

**Pat and Marilou Lopez and Family** who have dedicated so much of their lives to the Tucson community and the Diocese of Tucson. Their vast and varied volunteer efforts have helped many to feel valued and loved.

**Pedro and Rosario Morales**, the hard-working and loving Deaf parents of four hearing children, who persevered through economic challenges and overcame language barriers as they became citizens of the United States.

**Moriah Muñoz** who, while at Merilac Lodge, learned to overcome her past life, became a good mother, and worked toward a positive future for herself and her young daughter, **Karina**.
