# Title VI Complaint Procedures

---

These procedures provide guidance for all complaints filed under Title VI of the Civil Rights Act of 1964, as they relate to any program or activity that is administered by Catholic Community Services including consultants, contractors and vendors. Intimidation or retaliation as a result of a complaint is prohibited by law. In addition to these procedures, complainants reserve the right to file a formal complaint with other State or Federal agencies or to seek private counsel for complaints alleging discrimination. Every effort will be made to resolve complaints at the lowest possible level.

- (1) Any person who believes he and/or she has been discriminated against on the basis of race, color, or national origin may file a Title VI complaint by completing and submitting the agency's Title VI Complaint Form.
- (2) Formal complaints must be filed within 180 calendar days of the last date of the alleged act of discrimination or the date when the alleged discrimination became known to the complainant(s), or where there has been a continuing course of conduct, the date on which the conduct was discontinued or the latest instance of the conduct.
- (3) Complaints must be in writing and signed by the complainant(s) and must include the complainant(s) name, address and phone number. The Title VI contact person will assist the complainant with documenting the issues if necessary.
- (4) Allegations received by fax or e-mail will be acknowledged and processed, once the identity of the complainant(s) and the intent to proceed with the complaint have been established. For this, the complainant is required to mail a signed, original copy of the fax or email transmittal for the complaint to be processed.
- (5) Allegations received by telephone will be reduced to writing and provided to the complainant for confirmation or revision before processing. A complaint form will be forwarded to the complainant for him/her to complete, sign and return for processing.
- (6) Once submitted Catholic Community Services will review the complaint form to determine jurisdiction. All complaints will receive an acknowledgement letter informing her/him whether the complaint will be investigated by the Catholic Community Services or submitted to the State or Federal authority for guidance.
- (7) Catholic Community Services will notify the Title VI Coordinator of all Title VI complaints within 72 hours via telephone at: 602-262-7242; email to: [phxtransiteo@phoenix.gov](mailto:phxtransiteo@phoenix.gov)

- (8) Catholic Community Services has 60 days to investigate the complaint. If more information is needed to resolve the case, the Authority may contact the complainant. The complainant has 60 business days from the date of the letter to send requested information to the investigator assigned to the case. If the investigator is not contacted by the complainant or does not receive the additional information within 30 business days, the Authority can administratively close the case. A case can be administratively closed also if the complainant no longer wishes to pursue their case.
- (9) After the investigator reviews the complaint, she/he will issue one of two letters to the complainant: a closure letter or a Letter of Finding (LOF). A closure letter summarizes the allegations and states that there was not a Title VI violation and that the case will be closed. An LOF summarizes the allegations and the interviews regarding the alleged incident, and explains whether any disciplinary action, additional training of the staff member or other action will occur. If the complainant wishes to appeal the decision, she/he has 30 days after the date of the letter or the LOF to do so.
- (10) A complainant dissatisfied with Catholic Community Services decision may file a complaint directly with the **City of Phoenix Public Transit Department (COP)**: Attention: Title VI Coordinator, 302 N. 1<sup>st</sup> Ave., Suite 900, Phoenix, AZ 85003 or the **Federal Transit Administration(FTA)** offices of Civil Rights: Attention Title VI Program Coordinator, East Building, 5<sup>th</sup> Floor-TCR 1200 New Jersey Ave., SE Washington DC 20590

# Public Participation Plan

---

Catholic Community Services is engaging the public in its planning and decision-making processes, as well as its marketing and outreach activities. The public will be invited to participate in the process whether through public meetings or surveys. As an agency receiving federal financial assistance, Catholic Community Services made the following community outreach efforts:

- Expanded the distribution of agency brochures
- Posted the Nondiscrimination Public Notices to the Catholic Community Services agency lobbies
- Posted the Nondiscrimination Public Notices in agency 5310 vehicles
- Partnered with other local agencies to advertise services provided
- Added public interactive content to the agency's webpage for the public as well as used social media platforms to communicate schedule changes or activities
- Provided "call to the audience" opportunities at monthly agency Advisory Board meetings

In the upcoming year Catholic Community Services will make the following community outreach efforts:

- Enhance agency documents/publications to make them more user-friendly, e.g. comment forms or agency brochures
- Expand the use of social media for public outreach

## **Public Meetings:**

- (1) Public meetings are scheduled to increase the opportunity for attendance by stakeholders and the general public. This may require scheduling meetings during non-traditional business hours, holding more than one meeting at different times of the day or on different days, and checking other community activities to avoid conflicts.
- (2) When a public meeting or public hearing is focused on a planning study or program related to a specific geographic area or jurisdiction within the region, the meeting or hearing is held within that geographic area or jurisdiction.
- (3) Public meetings are held in locations accessible to people with disabilities and are located near a transit route when possible.

Catholic Community Services may submit to the Arizona Department of Transportation annually an application for funding. Part of the annual application is a public notice, which includes a 30-day public comment period.

# Limited English Proficiency Plan

---

Catholic Community Services has developed the following Limited English Proficiency Plan (LEP) to help identify reasonable steps to provide language assistance for LEP persons seeking meaningful access to Catholic Community Services as required by Executive Order 13166. A Limited English Proficiency person is one who does not speak English as their primary language and who has a limited ability to read, speak, write, or understand English.

This plan details procedures on how to identify a person who may need language assistance, the ways in which assistance may be provided, training to staff, notification to LEP persons that assistance is available, and information for future plan updates. In developing the plan while determining the Catholic Community Services' extent of obligation to provide LEP services, Catholic Community Services undertook a U.S. Department of Transportation four-factor LEP analysis which considers the following:

1. The number or proportion of LEP persons eligible in the Catholic Community Services service area who may be served or likely to be encountered by a Catholic Community Services program, activities, or services:

2) The frequency with which LEP individuals come in contact with a Catholic Community Services;

Catholic Community Services' staff reviewed the frequency with which office staff, dispatchers and drivers have, or could have, contact with LEP persons for during this Plan time frame. Catholic Community Services averages 50 contacts per WEEK.

3) The nature and importance of the program, activities or services provided by Catholic Community Services to the LEP population: Assistance with housing, job searches, counseling, case management, immigration assistance, nutrition services, childcare resources, safe family resources. Importance ranges from moderate importance to extreme importance for individuals requiring assistance from the agency.

4) The resources available to Catholic Community Services and overall costs to provide LEP assistance. A brief description of these considerations is provided in the following section.

Overall costs are determined by the need of interpreters and assistance in translation of materials. Costs will vary per individual receiving assistance from the agency.

A statement in Spanish will be included in all public outreach notices. Every effort will be made to provide vital information to LEP individuals in the language requested. Please see below for other efforts to provide services to LEP individuals.

### **Safe Harbor Provision**

Catholic Community Services complies with the Safe Harbor Provision, as evidenced by the number of documents available in the Spanish language. With respect to Title VI information, the following shall be made available in Spanish:

- (1) Title VI Notice
- (2) Complaint Procedures
- (3) Complaint Form

In addition, we will conduct our marketing (including using translated materials) in a manner that reaches each LEP group. Vital Documents include the following:

- (1) Notices of free language assistance for persons with LEP
- (2) Notice of Non-Discrimination and Reasonable Accommodation
- (3) Outreach Materials
- (4) Bus Schedules
- (5) Route Changes
- (6) Public Hearings

1) Catholic Community Services provides language assistance services through the below methods:

- Instructions are provided to customer service staff and other Catholic Community Services staff who regularly take phone calls from the general public on how to respond to an LEP caller.
- Instructions are provided to customer service staff and others who regularly respond to written communication from the public on how to respond to written communication from an LEP person.

2) Catholic Community Services has a process to ensure the competency of interpreters and translation service through the following methods:

Catholic Community Services will ask the interpreter or translator to demonstrate that he or she can communicate or translate information accurately in both English and the other language. Catholic Community Services will train the interpreter or translator in specialized terms and concepts associated with the agency's policies and activities. Catholic Community Services will instruct the interpreter or translator that he or she should not deviate into a role as counselor, legal advisor, or any other role aside from interpreting or translator. Catholic Community Services will ask the interpreter or translator to attest that he or she does not have a conflict of interest on the issues that they would be providing interpretation services.

3) Catholic Community Services provides notice to LEP persons about the availability of language assistance through the following methods:

- Posting signs in intake areas and other points of entry
- Announcements at community meetings
- Information tables at local events

Catholic Community Services will make changes to the language assistance plan based on feedback received. Catholic Community Services may take into account the cost of proposed changes and the resources available to them. Depending on the evaluation, Catholic Community Services may choose to disseminate more widely those language assistance measures that are particularly effective or modify or eliminate those measures that have not been effective. Catholic Community Services will consider new language assistance needs when expanding transit service into areas with high concentrations of LEP persons will consider modifying their implementation plan to provide language assistance measures to areas not previously served by the agency.

5) Catholic Community Services trains employees to know their obligations to provide meaningful access to information and services for LEP persons and all employees in public contact positions will be properly trained to work effectively with in-person and telephone interpreters. Catholic Community Services will identify staff that are likely to come into contact with LEP persons as well as management staff that have frequent contact with LEP persons in order to target training to the appropriate staff. Catholic Community Services will identify existing staff training opportunities, as it may be cost-effective to integrate training on their responsibilities to persons with limited English proficiency into agency training that occurs on an ongoing basis. Catholic Community Services will include this training as part of the orientation for new employees. Existing employees, especially managers and those who work with the public may periodically take part in re-training or new training sessions to keep up to date on their responsibilities to LEP persons. Catholic Community Services will implement LEP training to be provided for agency staff. Catholic Community Services staff training for LEP to include:

# Non-elected Committees Membership Table

A sub recipient who selects the membership of transit-related, non-elected planning boards, advisory councils, or committees must provide a table depicting the membership of those organizations broken down by race. Subrecipients also must include a description of the efforts made to encourage participation of minorities on these boards, councils, and committees.

Body	Caucasian	Latino	African American	Asian American	Native American
Population					
TYPE THE NAME OF THE COMMITTEE HERE					
TYPE THE NAME OF THE COMMITTEE HERE					
TYPE THE NAME OF THE COMMITTEE HERE					

XX Catholic Community Services does NOT select the membership of any transit-related committees, planning boards, or advisory councils.

# Title VI Equity Analysis

---

A sub recipient planning to acquire land to construct certain types of facilities must not discriminate on the basis of race, color, or national origin, against persons who may, as a result of the construction, be displaced from their homes or businesses. “Facilities” in this context does not include transit stations or bus shelters, but instead refers to storage facilities, maintenance facilities, and operation centers.

There are many steps involved in the planning process prior to the actual construction of a facility. It is during these planning phases that attention needs to be paid to equity and non-discrimination through equity analysis. The Title VI Equity Analysis must be done before the selection of the preferred site.

***Note: Even if facility construction is financed with non-FTA funds, if the sub recipient organization receives any FTA dollars, it must comply with this requirement.***

XX Catholic Community Services has no current or anticipated plans to develop new transit facilities covered by these requirements
